## LEGEND

★ Explorer Class   ★ River Class   ★ Ocean Class

### *Get Close to the Action*

Six high-end adventure boats accompany us on board for forays ashore. They make it easy for us to quickly shift between remote picnics, coastal walks and adventures along remote estuaries. To add yet another dimension to the journey, there's a helicopter on the roof. We realise heli-trips may not interest all guests, and therefore, use of the helicopter is at an additional expense.

### *Onboard Amenities*

Life on board is casual and comfortable (there's a 'no-shoe policy') but not short of creature comforts. There's a sun deck, a forward observation lounge, a ship's lounge and a breezy al fresco bar. The lower deck dining room features large panoramic windows, ensuring you won't miss any of the scenery.
